

## **Grant Forms 'Teen Network'**

**M**ILT GRANT, longtime star of WTTG's recently canceled daily televised record hop, has returned to the teen scene with something new in local radio programming. Lining up four area stations into the country's first "Teen Network," Grant is entertaining his high school fans from 1 to 4 p. m. each Saturday and Sunday with top records and guest recording stars.

Stations forming the network are WPGC, WAVA, WINX and WEEL.

The weekend marathons will be similar to Grant's TV record hop with one major addition.
